Elections Scheduled for November Meeting !

NOV
2001

Don't forget that the club election of officers for the 2002 season will take place at the November meeting. Please consider taking over one of the following positions.

President: Runs meetings and coordinates club business.

Vice President: Assists the president and fills in when necessary.

Secretary/Secretary: Puts out the newsletter, controls club funds, maintains membership role.

Statistician: keeps club Big Fish Board and Tournament Points race stats.

Folks it is time for you to step forward and take on one of the above mentioned positions in our club. We have maintained steady growth for our entire 5 year existence. It's up to you to carry on this growth.

I have tried to do the best job I could do as president this year. I know that due to my increased workload (job) I have not done as well as I should have. The Job of president does demand some time, but not as much as you would think. I will pledge to the next president that i will be there whenever needed to offer my assistance and advice.

The office of Secretary/Treasurer is the heart and soul of the club. While the president gets the spotlight, the Secretary/Treasurer gets the real tough jobs done. (Thanks Polly !) If you have any computer or bookkeeping experience, please consider this position.

Folks we have a great club. Why not do your part to make it even greater ??
Run for one of these positions.

Mike

Our next meeting will be on November 1st at the American Legion on Halls Mill road. Time is 7:00. I look forward to seeing you there !

Polly
