PRESIDENT'S MESSAGE

Whew, the finally weather cooperated for our "Causeway Classic" held November 9th and we posted a successful conclusion to our 2019 Tournament Season. Congratulations to all our winners and participants, especially to the Junior anglers who competed in their own tournaments through this inaugural year. We also 'closed the books' on our 2019 Big Fish Contest and have begun the 2020 BFC (and the Junior anglers have their own version).

Thanks to those who volunteered to fill several open board positions which were approved of at the November meeting. I was so relieved when Mike Nicholas came to me before the meeting to say he would be glad to take over Membership with assistance from Jeb Mann (a job he has experience at). Also, Alex Beebe volunteered to put together our newsletters and Joey Gates said he will again assume the role of Donations Chairman. Then later Romie Perez (one of the few remaining active ACFA Founding Members) said he would assume the role of Food Coordinator for next year. There can never be 'too much help' to keep things running smoothly, so please lend a hand to these fine folks whenever the need arises! PLEASE ASK, don't wait to be asked ;-)

Now we are ready to celebrate our slate of 2019 winners and other notable fishing accomplishments at the ACFA Awards Banquet. This will be with a buffet at Moe's BBQ on Friday December 6th , and we will try to start as soon after 6 as possible. If you haven't already RSVP'd you are attending, please let us know how many to expect by November 30th. Family members outside the blanket of your membership coverage (spouse, children or grandchildren under 16 years) are welcome, but we need \$20 per person to cover their expense for dining with us. Thank you for you cooperation!

FRIDAY, DECEMBER 6TH MEETING PREVIEW:

This night is the highlight of our 2019 ACFA season when we welcome all members and their dependants to a nice sit down dinner complete with a year's worth of pictures and slides, with plenty of good fellowship and prizes. In fact this year we will set a club record by bestowing over 75 awards on this night to our members in competitions. This would not be possible without the contribution from each and every one of you who saw fit to join our club in 2019. We thank you, congratulate each other, and look forward to having even more fun in 2020!

WEDNESDAY, November 6th

Meeting Recap:

Thanks to all those who came to our last meeting on a Wednesday night. And to our speaker Maclin Smith, owner of HMS Marine Electric LLC in Fairhope for providing us with an in-depth rundown of innovative technologies related to marine electronics. As expected most of the Q&A centered on bottom imaging, and Maclin answered every question fielded. Thank you for lending your time and expertise. He can be reached at **591-3283** or **hmsmithjr@bellsouth.net**

ACFA "BILL MIDGETTE AND MUTT BURKE CAUSEWAY CLASSIC" NOVEMBER 9TH TOURNAMENT:

This tournament was postponed twice, but on this day we were treated to some perfect cool, fall weather. Of course we were up against the now infamous Alabama vs LSU game, but that too is history that just added to the atmosphere of clear skies and eating Romie's gumbo.

The anglers did not disappoint, and we even got a live sheepshead entry (by Matthew Nicholas) to assist Merritt McCall with her research at the Dauphin Island Sea Lab. It seems all of the adult entries for speckled trout were caught on artificial. A fact that surely our club predecessors this tournament was renamed in honor of (Bill Midgette and Mutt Burke) would have well appreciated. Of course the general lack of live shrimp in the area behind that strong front had nothing to do with it ;-) LOL

Anyway, congratulations to the speckled trout winner Grady LeBlanc who eclipsed all other trout entries. And to Brad McDonald who edged out his son David with the heaviest redfish. And to Jeremy Mosely who beat out Lynda Capps for the heaviest white trout. Matthew Nicholas nearly swept all comers in the Junior division by taking first place in speckled trout, redfish and had the only sheepshead entry. Meanwhile Chatwin Summers put in a cold hard morning with his dad Chad to find the only white trout entered for the Juniors. Well done every one!

2019 in Review from the Statman

2019 was another banner year from the standpoint of Statistics. While this is only my second year at this position, with the help of our President, I have become quite comfortable in keeping track of everyone's catches. Each Tournament brings with it a new set of challenges to overcome. This year, once again, one of our anglers set a new record, not only for our club, but the State as well. Congratulations to Capt. Patric Garmeson for his 13lb. 14oz. Sheepshead. I didn't think they even got that big. This is one that will be hard to top.

The Big Fish Contest (BFC) was another huge success with several large fish being landed. Some of the notables in the Adult Division are as follows:

ADULT DIVISION			JUNIOR DIVISION		
Blackfish	Lynda Capps (L)	19.88 lbs.	Blackfish	Hunter Behr	15.85 lbs.
Flounder	Noel Riley (N)	6.90 lbs.	Flounder	Raelynn Bosarge	3.80 lbs.
Gr.Mul/Whit	Randy Bosarge	1.62 lbs.	Gr.Mul/Whit	J.W. Martin (N)	0.68 lbs.
Redfish	Chad Summers	7.70 lbs.	Redfish	Kenzleigh Bosarge	7.40 lbs.
Sp. Mackerel	David Thornton	4.75 lbs.	Sheepshead	Raelynn Bosarge	9.82 lbs.
Sp. Trout	David Skoglund	5.35 lbs.	Sp. Mackerel	Casey Thornton	1.78 lbs.
Wh. Trout	John Howard	2.12 lbs.	Sp. Trout	Raelynn Bosarge	5.60 lbs.
CPR	Grady LeBlanc	25 7/8"	Wh. Trout	Raelynn Bosarge	2.35 lbs.
LIVE Flounder	Vince Hawkins	4			
	Gerald Markow	4			

The Tournament season was also a huge success in spite of the weather, which made for some slim weigh-ins. We had to move the weigh-in inside twice due to rain. The Speckled Trout Challenge & Grand Slam Tournament. Kudos to our shrimp boiling crew who remained steadfast throughout it all and the shrimp came to the table right on time. As you all remember, we had to do a dance around due to some unexpected Tropical systems in late October forcing us to postpone the Causeway Classic...TWICE!

I am already looking forward to serving you in the upcoming 2020 season and, in fact, have already received my first two BFC entries. If it were not for you, there would be no us. I thank you all for the support you have given me over the last two years.

A Word from the Editor

These past two years of being the ACFA Newsletter Editor have flown by!! I have loved helping the ACFA and I am thankful for the opportunity to put together 24 newsletters for the members of this great organization. This year has been a great year for the club. It is always fun to see the pictures that come in from the members from the meetings and the tournaments. I can tell that each of you love to fish and enjoy spending time on the water.

I am beyond grateful for this club because it has instilled the same love of fishing into my children. They get so excited on tournament days and make it a challenge among themselves to catch the biggest fish.

I am grateful for the inspiration and knowledge that is shared at each meeting from the speakers and the members. They want to help each of us become better at what we love doing.

I am grateful for the board members and the hard work that they put in to make this club what it is. I am extremely grateful for David and Robert. I could not have gotten the newsletter put together each month without them. They were always there when I had a questions.

I am grateful for each of you. Without you, our club would not be as successful as it is. I have loved meeting the members and hearing all of the fun stories that they have about their time on the water.

Thank you all so much for your support of such a great club. I'm looking forward to what will come in 2020 because I'm sure it will be amazing.

I hope you have a wonderful holiday season.

Sincerely,

Summer
