SPRING BREAKOUT RECAP

Muddy water, high winds and rain are enough to keep most folks from even thinking about going fishing but our ACFA die-hard anglers get out there and get the job done time after time. Despite the wind and chop there were some nice Sheepshead caught out at the rigs and a few nice Specks were caught in the Industrial Canal by a couple lucky guys that were lucky enough, or good enough to find one. The end of the day was highlighted by the food! If you've never had Kyle Eckhoff and Tom Brook's Baked Ziti you really missed out, the Ziti weigh in is fast becoming one of my favorites. The food was great guys, and we appreciate all those that helped to prepare and clean up afterwards!
