

Message from the President

DEC 2001

It's hard to believe that December is already here. The water temperatures are still in the 60's and you can go fishing most days in just a flannel shirt. The fishing has been stupendous for weeks. Things are bound to change soon and when the winter rains come, will all be longing for the warmer temps and easier to find fish.

The annual Christmas party is upon us and we would like to encourage everyone to attend. There will be food provided by the club (turkey, ham) and we would ask that you bring a sweet item (your specialty) to accompany the Christmas meal. The club will be supplying soft drinks. All members and their spouses and children are invited to attend. Any guests will be \$5 a piece at the door.

Please contact Mike Thompson (633-8897) or Polly Devery (639-0774) to let us know if you plan to attend and how many will be in your group.

Awards Presentation

The winners of the Big Fish Contest and the Tournament Championship will be recognized at the December meeting. This year's competitions were as hotly contested as ever before. Those winning these awards are to be congratulated.

Big Fish Contest

The Big Fish Contest for the 2002 season has begun. Any fish caught by a member in good standing, starting November 16, 2001, may be entered by mailing the card to P. O. Box 850758, Mobile AL 36685. Jennifer Mitternight is our new statistician and will be accepting entries as well. These fish will be entered into the big fish contest, but will be wiped out of dues are not paid by the first meeting of the year, to be held in February.

NEW MEMBER

I hope your family and you enjoy a wonderful and safe holiday season.

If I don't see you at the party.....I'll see you on the water!
