President's Message:

As my two years as President comes to a close I want to thank all of our members for supporting ACFA. Also thanks to all of the Board members dedication and support. ACFA has become a Brand Name on the Gulf Coast in the fishing world. I am very proud to be a part of it. I am happy to announce David Thornton is our new President for 2019/2020. He will do a great job along with the new Board. Good luck!
 Merry Christmas.

John Howard

November Meeting Recap

The meeting opened with ACFA President John Howard reporting that contributions to the club had recouped \$500 of the \$1500 donation we made to Hurricane "Michael" Relief. And that the raffle proceeds of two 'Iron Bowl' tickets would go to further reduce the debt incurred. Thanks to the anonymous donor who thought of our club when offering the tickets!

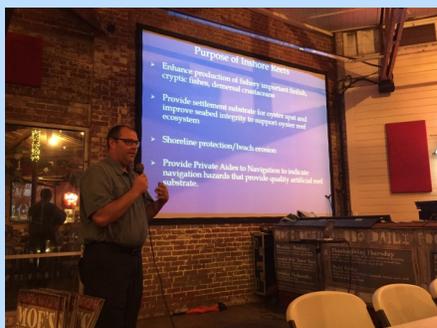

Next our Logo Chairman Kevin Owens announced a special 'one night ONLY' sale of some excess ACFA hats and t-shirts for only \$5.

Then it was on to the business of approval of 2019 candidates for the club:

John Erwin will remain as Treasurer, but Josh Tidmore will be the Vice President and still handle the Awards. Kevin Owens will again sell the Logo items and Summer Tidmore will continue as our Newsletter Editor. Robert Thornton will again manage the Statistics, Kyle agreed to coordinate the Food Chair and Pat Hughes will be our weighmaster for his 17th year! All these folks have done a fine job this year (per the rousing applause) and we can be thankful to have them back for another year.

Sean Gibbs will be our Membership Chairman next year, and we are glad to have him on board too.

Next the two candidates for President (Craig Hall and David Thornton) were allowed a few minutes each to speak on why they should be elected. Then we made history as the membership present voted for one or the other of them. The vote counts were tallied during the break and David Thornton was announced as our 2019 ACFA President. An office he is both humbled and appreciative to accept.

Next our guest speaker Craig Newton, in charge of reef building with the Alabama Department of Conservation and Natural Resources spoke to us about the history, purposes and challenges of building inshore and offshore reefs for the state. Thanks to Craig for coming to speak in an official capacity, and patiently answering all our questions. As fishermen and conservation minded folks, we can be proud of the work and dedication of these men and women to preserve and enhance the valuable living resources of our area.

You can read more, as well as find coordinates and explore these reefs interactively @ <https://www.outdooralabama.com/artificial-reefs/inshore-reef-zones>

Also we have some hand-drawn charts (by the late, great Bill Midgette) of many of the inshore reefs, along with some notes, etiquette suggestions and more on the ACFA website in the MEMBERS ONLY @ <http://dallas138.arvixshared.com/~acfish/forum/viewtopic.php?f=5&t=14556>

Next our Statman, Robert Thornton reviewed the Final Tournament Standings and gave us a rundown on the Big Fish Contest. Remember this is a YEAR LONG contest that begins each year on November 15th and runs until midnight November 14th of the following year. So the 2019 Big Fish Contest is now on!

Josh Tidmore, our Awards Chairman gave out the plaques from the October tournament; closing the books on another successful tournament season.

The raffle drawing for the Alabama/Auburn tickets was won by Lynda Capps. Roll Eagle or War Tide ;-)

*At the October meeting, the really fine looking Lew's spinning reel combo (graciously donated by Captain Patric Garmeson) was won by **Terry Wilson**. Congratulations to him, and thanks again Patric!
